

New Membership Application

By law, Pacific Cascade Federal Credit Union Membership is limited to those who live, work, worship, or go to school in Lane County, Oregon. If you are related to a member, you are eligible as well.

We have no membership application fee, but we ask that you open a \$5 savings account. This is your share in Pacific Cascade Federal Credit Union, and needs to be kept at that level to maintain your membership. The membership share is yours, and you earn interest on it. If you decide to leave the credit union, you may have it back.

We are a full-service financial institution. We offer many financial products, including checking accounts, savings accounts, Visa, auto loans, real estate loans, etc.

To become a member, drop by any of our branches with this application completed, \$5.00 and picture ID, and we'll set you up!
